

Recreational / Instructional Camps

Young Explorers

Week 1: June 4 - 8 – Exploring Knights and Princesses

Week 2: June 11 - 15 – Exploring the Zoo

Week 3: June 18 - 22 – Exploring the World of Bugs

Week 4: June 25 - 29 – Exploring Colors

9am - 3pm; PreSchool 3 - Kindergarten; \$205

Explore the world around us through activities such as arts and crafts, dramatic play, music and movement, storytime, outdoor adventures, fun with technology, sensory activities, and more. Each week ends with a splash with Water Day!

*Please note: all campers must be potty trained.

Camp Discovery

Week 1: June 4 - 8

Week 2: June 11 - 15

Week 3: June 18 - 22

Week 4: June 25 - 29

9am - 3pm; Grades 1-5; \$230

Examine, travel, inquire, and search the world around us in exciting week-long adventures using critical thinking, reading, writing, and math skills. Details coming soon!

Maker Week 1: Cardboard Creativity

June 18 - 22

9am - 12pm; Grades 6-8; \$155

Explore a variety of hands-on crafts using predominantly cardboard materials. Projects will range from simple and DIY at home to doodle bots, cardboard decorative letters, masks, pencil holders, and much more. A culminating project will be short lessons with our design software, Rhinoceros, and a trip to the laser cutter in the Innovation Studio for a laser-cut model to take home. Specific projects will be tailored to students' interests.

Maker Week 2: Light it Up

June 25 - 29

9am - 12pm; Grades 6-8; \$165

Mrs. McNeil teaches basic circuits and LEDs using fun, hands-on projects such as squishy circuits, light-up badge, light-up mask, and more. Students who attend Maker 1 Cardboard Creativity can choose to add LED lights to their previously created projects. Arduino circuits hardware and software and online circuit building will also be explored in the camp. Optional: includes a take-home electronic circuit starter kit for an additional \$40.

Music Theory Camp

June 11 - 15

9am - 12pm; Grades 6-8; \$155

Music Theory Camp will focus on learning and building on music skills such as note-reading, rhythmic notation, and ear training through fun games.

Broadway Beginnings: A Musical Theatre Intensive

Two-Week Camp: July 9 - 12, July 16 - 19

12pm - 3pm; Grades 6-12; \$305

These exciting two weeks will include masterclasses in singing, dancing, and acting along with Skype Q&A sessions with Broadway director/choreographers and actors. The camp will culminate in a showcase-style musical theatre performance featuring all students.

Engineering for Kids

Week 1: July 9 - 13 – Survivor: Engineer's Cove

(morning) & MinecraftEDU: Redstone Medieval Machinations (afternoon)

Week 2: July 16 - 20 – Forensic Engineer Investigators (morning) & Mythbusting (afternoon)

Week 3: July 23 - 27 – Design the Future (morning) & Robotics: Mission Mars (afternoon)

9am - 4pm; Grades 1-5; \$145/half day, \$230/full day

Camp READY

July 2 - 27 (no camp July 4)

8:30am - 12:30pm; Kindergarten; \$25

Camp READY is a Kindergarten-readiness camp led by the Learning Resource Center. For more information and to register, visit <https://lrcpolk.com/programs/camp-ready/>

Gearing Up For Middle School

July 30 - August 3

12:30am - 3:30pm; Grade 6; \$155

Mrs. Campbell teaches about the rigors of the Middle School curriculum, schedule, and expectations. Campers will practice note-taking, time management, test-taking strategies, and they will familiarize themselves with campus.

Sports Camps

Boys & Girls Soccer Camp

Week 1: May 29 - June 1

Week 2: June 11 - 14

9am - 12pm; Grades K-8; \$155

Learn fundamental soccer skills with Coach Boardman through a series of progressive games and drills. Younger students will learn through fun games such as "Battle Stations" and "Crab Army."

Boys & Girls Basketball Camp

June 4 - 7

1pm - 4pm; Grades K-12; \$155

Coach Robinson teaches fundamentals with competitive drills, games, and lectures to have fun and improve campers' basketball skills.

Cheer Camp

June 4 - 8

Monday - Thursday: 9am - 3pm; Friday: 9am - 12pm

Grades K-8; \$155

Learn cheer fundamentals! Coach Dugger & ASA Varsity Cheerleaders will teach technique, cheers, basic stunts, proper safety, and more. Parents are welcome to watch last-day performance.

Boys & Girls All Sport Camp

June 18 - 21

1pm - 4pm; Grades K-8; \$155

Campers will get a taste of everything during the All Sport Camp. Special focus will be given to basketball, flag football, and volleyball.

Lacrosse Camp

June 25 - 28

9am - 12pm; Grades K-12; \$155

Beginners and experienced players will build fundamental skills while developing knowledge on strategy and the game with Coach Ryan. Advanced players will be challenged to perform skills at speed and encouraged to develop game-reading ability while playing at a high level. If you need gear, please contact Coach Ryan before camp.

Lower School One-Day Football Camp

July 16

9am - 3pm; Grades 1-5; \$75

No-contact, non-padded camp. Players will focus on the basics of offense, defense, and special teams fundamentals with Coach Weiss and the ASA football staff. Emphasis will be on basic skills, passing drills, lineman challenges, skills competitions and other fun activities. Campers will need to bring a lunch.

Football Camp

July 16 - 19

9am - 12pm; Grades 6-12; \$155

No-contact, non-padded camp. Players will focus on offense, defense, and special teams fundamentals with Coach Weiss and the football staff. Daily emphasis on basic skills, passing drills, lineman challenges, skills competitions and other fun activities.
