

# Stimulate with STEM

## Science Technology Engineering Math Summer Camp

*Join us for a fun way to become inspired!*

**\*Grades: 4<sup>th</sup> through 10<sup>th</sup>**

This Summer Camp capitalizes on inspiring science technology, engineering and math in an integrated, hands on method. It is focused on interesting, but fulfilled activities taught by certified Master's level STEM and Math teachers. Every week will be focused on a different specified physical matter and will have a culminating outdoor activity or achievement. The chart below illustrates the weekly STEM activities to be explored.

Focus	Camp Dates	Timeframe	Weekly Tuition	Kit Cost
Solar Cars	June 12 - 16	1:00 - 4:00 p.m.	175.00	25.00
Hot Air Balloons	June 19 - 23	1:00 - 4:00 p.m.	175.00	25.00
Solid Fuel Rockets	June 29 - 30	1:00 - 4:00 p.m.	175.00	25.00

**Multi-weekly Tuition: 3 weeks: \$ 475.00 (10% Discount)**

- Fees are nonrefundable

**Place: Lakeland Institute for Learning  
111 Mosswood Road, Lakeland 33801  
(Behind Grace City Church/720 S. Florida Avenue)**

*\*Classes are grouped by elementary and lower middle school; upper middle and high school.*

*\*Must enroll @ least 5 students in each class each week for a camp to run.*

**Directed by *The Institute of Spanish Communications*  
as a fundraiser for the special needs students  
of the Lakeland Institute for Learning,  
a not for profit organization.**
